Ashish Shende

MBA | Symbiosis (SCIT '25) | Oracle Certified Professional
Pune, Maharashtra, India

Summary

Hi, I'm Ashish Shende, a Machine Learning Enthusiast with a passion for developing innovative AI solutions and optimizing data-driven processes.

Specializing in predictive modeling, generative AI, and data analytics, I've worked on impactful projects like diagnosis prediction using Google LLM-Palm 2 and financial statement analysis with Google Gemini. My hands-on experience spans Machine Learning, deep learning and Data Analytics.

My recent role as a Machine Learning Engineer Intern at Smartbridge Educational Services Pvt. LTD. allowed me to tackle challenges in various domains, from healthcare to supply chain optimization. Additionally, I've designed and implemented cutting-edge solutions like a face mask detection system using Faster R-CNN and ResNet 50.

I hold an MBA in Data Science & Data Analytics from Symbiosis International University and a Bachelor's degree from the University of Mumbai, where I also led teams and managed projects.

Beyond technical skills, I bring strong leadership and communication abilities, having managed teams and coordinated projects effectively. I thrive in collaborative environments and am always eager to learn and grow.

Let's connect if you're looking for a dedicated professional to drive your AI and data initiatives forward!
